Dear Church Family:

It's been another amazing day watching CLPC folks look out for one another and reach beyond themselves to others. For the second day in a row a gaggle of youth and adults assembled to help several CLPC families including the Westerlund's, DeBenardo's, George and Myra Hall, and the Hainley's.

We're sending work teams to two new locations tomorrow. Wanna join us?

- Pack a lunch
- Put on work clothes
- Meet at the church at 9:30 a.m. to prep. for a 10:00 a.m. departure

Presbyterian Disaster Assistance is moving into the Houston area and setting up temporary offices at CLPC. We are also blessed to host to our General Presbytery, Mike Cole, while the Presbytery office is without power.

During the power outage, dozens of people from the community have taken advantage of our electricity, snacks and internet access. Our volunteer hosts have done an amazing job extending hospitality to our guests.

As an outreach to the community, we're offering family friendly movies and board games for kids k-5<sup>th</sup> grade from 2-4 p.m. on Thursday and Friday. Tell your neighbors and come and join us!

Do you know of a need or have a service you can offer? Send an email to our care coordinator, Dana Park ([dana@clpc.org](mailto:dana@clpc.org)).

You're a GREAT church family!!

Steve
